¶ When *por* is before an infinitive, and followed by a negative, in the latter part of the sentence, it is Englished by *although*, or *though*; as, *por ser devota ou por devota que seja, não deixa de ser molher*, though she is a religious woman, yet she is a woman; *por ser pobre, não deixa de ser soberba*, though

she has no fortune, she is nevertheless, or for all that proud.

¶ Por, followed by an adjective and the particle *que* with a verb in the subjunctive mood, is rendered into English by *never so*; as, *por grande que elle seja*, let him be never so great. *Por pouco que seja*, never so little.

¶ Por, before *menos*, signifies *less than*, or *under*; as, *ũa coisa não o terá por menos de vinte libras*, you shall not have it under twenty pounds. ¶ Por, before *quanto*, with an interrogation, signifies *for how much* or *at what rate*? But if there is no interrogation, as in the following and the like sentences, then it is to be Englished by *never so much*; as *nao o faria por quanto me dessem*, I would not do it for never so much.

¶ Por, before *pouco*, *muito*, *bem*, &c. and followed by *que* makes a sort of conjunction governing the subjunctive, and is Englished by *if* followed by *ever*, or *never so little*, *much*, *well*, &c. as, *por pouco que erreis*, if you do amiss never so little; *por bem que eu feça*, If I do never so well, &c.

¶ Por, construed with nouns without an article, denotes most times, distribution of people, time and place; and is Englished by *a*, or *every*, before the noun; as, *Elle deu tanto por cabeça*, he gave so much a head. *Tanto por soldado, por anno, por mez, por semana, &c.* so much a soldier, a year, a month, a week, &c. *A razão de vinte por cento*, at the rate of twenty per cent. *Elle pede tanto por legoa*, he asks so much a league, or every league.

¶ Por, between two nouns, without an article, or between two infinitives without a preposition, denotes the choice which one makes between two things alike in their nature but different in their circumstances; as, *Casa por casa antes quero esta que aquella*, since I must have one of these two houses, I like this better than that. *Morrer por morrer melhor he morrer combatendo que fugindo*, when a man must die, it is better to die in fighting, than in running away.

¶ Por, before the infinitives, is used instead of *para* by the

best Portuguese writers; as *por nao* (or *para nao*) *repetir o que ja temos dito*, not to repeat what we have already said.

¶ Por, is sometimes Englished by *for*, upon the accounts of, for the sake, &c. as, *Elle fara isto por amor de vos*, he will do this upon your account, or for your sake.

¶ Por, joined with the verb *ir*, signifies to fetch; as, *vai por, vinho*, go fetch some wine.

¶ Por, is commonly used before the substantives; as, *por commodidade*, for conveniency; *por costume*, for custom-sake; and many others that can only be learned by use.

pres. *seja, sejam, &c* imp. *fora, ou fosse, foras, ou fosses, &c* fut. *for, fores, for, &c*.—*Ser de alguém*, to be a friend to one, to follow his party, to side with him. *Que será de mim?* what is to become of me? *Ser bom a a'guem*, to help or relieve one. *Que he feito delle*: see *Feito*, a.
N. B. There is a considerable difference between the verbs *ser* and *estar*, both in Portuguese and Spanish. In English, there is no word to distinguish them, since they are both rendered into English by *to be*. *Ser* signifies the proper and inseparable essence of a thing, its quality or quantity; as, *ser homem*, to be a man; *ser bom*, to be good; *ser alto*, to be tall; *ser largo*, to be wide; *ser branco*, to be white, &c. but *estar* denotes a place, or any adventitious quality; as *estar, em Londres*, to be in London; *estar de saude*, to be in health; *estar frio*, to be cold; *estar doente*, to be sick; *estar enfadado*, to be angry; *estar allegre*, to be merry, &c.—¶ *Estar* may be used before the gerunds, but not *ser*; therefore you must say, *estou fallando, lendo, &c*. I am speaking, reading, &c. but not *sou fallando, &c*.

Sêu, **sua**, [a pronoun possessive,] his, his own, hers, her own. [Lat. *suis*.] — *Seu delle*, his own. *Aquelle he o vosso*, e este

he o seu, that is yours, and this is his, or his own; speaking of a man: but speaking of a woman, you must say, this is hers, or her own.

N. B. The pronouns possessive do not agree, in Portuguese, in gender with the noun of the possessor, as in English, but as in Latin, with that of the thing possessed; as, *a mãy ama a seu filho*, the mother loves her son; *o pay ama a sua filha*, the father loves his daughter. So you see that the pronoun masculine *seu* in the Portuguese, is sometimes rendered by *her* in English: and the feminine *sua* by *his*.

Seu is made use of sometimes in room of *vosso*, and *vossa*, in the polite way of speaking; so they say, *tenho o seu livro*, I have your book; *fulley ao seu criado*, I spake to your servant.

Seu is also used substantive-ly; as, *o seu*, his own, her own; *os seus*, his relations, his men, his people, such as belong to him. — *Ele leará a sua vontade*, he will insist upon it, he will do it. *Fazer das suas*, to play foolish tricks, to play the fool. *Sava-lê-ra*. See *Cevadeira*.
